ERC-Consolidator Grant for Sebastian Sager - Member of the CDS Directorate

02.04.2015 - Prof. Sebastian Sager was able to raise one of the coveted Consolidator Grants of the European Research Council (ERC) entailing 2 Million Euros for his research project '*Mathematical Optimization for Clinical Decision Support and Training*' (MODEST). Prof. Sager was appointed as professor of the Chair for Mathematical Optimization (<http://www.math.ovgu.de/math/en/>) at the Otto von Guericke University with the support of the CDS in 2012.
