IMPRS seminar on
“Estimation, Control and Validation
under Uncertainty
of Technical and Biological Systems”

SPEAKERS

Rolf Findeisen, Nadine Rudolph and Petar Andonov
Institute for Automation Engineering, Systems Theory and Automatic Control Laboratory, Otto-von-Guericke University Magdeburg

PROGRAM

2:00 pm
Rolf Findeisen:
Estimation and Control under Uncertainties

2:30 pm
Nadine Rudolph:
Inner Approximations of Parameters and Experimental Design for Biological Systems

2:50 pm
Petar Andonov:
Verification and Parametrization Subject to Quantitative and Qualitative Requirements

3:10 pm
Discussion

Thursday, January 25, 2018 | 2:00 pm
MPI seminar room “Prigogine”, V0.05/2-3
